

Henry Schein Australia Broadens Technical Support Team With MDS Partnership

Queensland's Largest Service Support Network

Henry Schein Australia is pleased to announce a new strategic partnership with MDS Medical Dental Solutions, marking a significant expansion of our Technical Support Network and establishing the largest service network in Queensland.

Expanding Our Reach Strengthening Our Support

With over two decades of experience providing dental solutions and offices in Brisbane, Townsville, Cairns, Rockhampton and Mackay, MDS brings an extensive team of certified experts, advanced technologies, and resources dedicated to delivering unparalleled technical support and tailored solutions for dental practices

By combining the expertise and resources of both organisations, this partnership marks a significant step forward in Henry Schein's commitment to strengthening our ability to deliver prompt, reliable, and industry-leading service and support to dental professionals across the region.

Expertise Meeting Industry Standards Our Range of Services Includes:

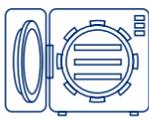

Emergency Breakdowns

Rapid on-site assistance, equipment loan and certified technicians to keep your practice running with minimal disruption.
